

**IN THE SPECIFICATION:**

The specification as amended below with replacement paragraphs shows added text with underlining and deleted text with ~~strikethrough~~.

Please REPLACE Paragraph [0032] with the following paragraph

That is, the grating 51 is coupled and formed on an optical incident surface 53a of the wavelength plate 53, and the optical output compensating lens 55 is coupled and formed on an optical emitting surface ~~53a~~53b of the wavelength plate 53.
